### The Outfit Works - Option Selected: Top And Trousers

For the purposes of the Style Report I've presented your shopping links as complete outfits, however you may wish to interchange some of the pieces. I've put together three day wear looks with a range of budgets as requested and where applicable, I've included some style suggestions for these or any future purchases - have fun with it and don't be afraid to experiment. That's the beauty of online shopping - you can try on your prospective purchases with what's already in your wardrobe... all in the comfort of your own home!

Based on your information provided I have selected the following looks for you - enjoy!

## Everyday Chic

These [belted, paper bag waist trousers, £45 by Warehouse at Selfridges Online](#) are a fashion forward option with an ultra flattering silhouette. The neutral colour would be perfect for both day and evening wear.

Isabella Oliver 365 Collection carry some amazing basics as well as statement pieces. [The Perfect Long Sleeve Tee, £39](#), would work really well tucked into these trousers and will definitely become one of your wardrobe staples.

Trousers such as these look fabulous with a high heel. These [Carvela heels, £120 at Kurt Geiger](#) fit the bill and their neutral colour will make them a great summer shoe addition. I always look at the [Kurt Geiger sale](#) for statement heels at great prices - it's worth signing up to their email notification so you can bag a bargain.

A statement bag brings instant luxe to everyday wear and the [Hamilton tote from the Michael by Michael Kors range, £295 at Net-A-Porter](#), is a piece to cherish and pull out time and time again. Its classic shape means it's a worthwhile investment.

Push up the sleeves of the top and wear a [mannish watch](#) on one wrist and a stack of cuffs on the other. The [leather wrap cuff, £12 from Accessorize](#), [straw stitched bangles, £16.60 at Topshop](#) and the [leather square studded cuff, £12 Warehouse](#) would make a great combination.

## Tribal Brights

Make a statement for summer with this stunning [animal print chiffon top by Issa, £198 at Matches](#). Maximise your investment by layering over cropped trousers or skinny jeans and take it on holiday for instant glamour when reaching for a beach to bar cover up.

If you're looking for the perfect slim cut cropped trousers, look no further than the [Current/Elliott Sharp Trousers, £165 from Net-A-Porter](#). Extremely versatile, they're sure to become a firm spring summer favourite.

Perfectly showcased by the cropped trousers, these [Miss Christo bow wedges by Christian Louboutin, £375 at Matches](#) are the ultimate in stand out summer wedge heels. Perfect for wearing with sun dresses, tailored shorts and maxi dresses. A shoe lovers dream!

Everyone should make a WOW purchase at least once in their lifetime and the [Versace leather trimmed raffia tote, £725 at Net-A-Porter](#) is a perfect candidate! The gorgeous citrus hue will elevate every outfit to new style heights.

A head turning piece of jewellery, this [Philippe Audibert silver-plated turquoise cuff, £480 at Net-A-Porter](#) will finish off this look beautifully. The perfect accessory for warm weather glamour.

## Luxe For Less

This [pink twist T, £18 from Dorothy Perkins](#) will make the perfect summer addition to your wardrobe. The draping is extremely flattering and I think coral tones would look great on you.

If you're bored with jeans for everyday wear then try these [khaki slim fit sateen trousers, £32](#), also at Dorothy Perkins. I think they're a more purse friendly version of the covetable [J Brand Houlihans!](#)

Rafia and natural material bags were all over the Spring Summer 2011 catwalks. This [straw shopper, £30 at Warehouse](#) is perfect for carrying everything when you're out with the kids. When it's just you, fold over for a stylish oversized clutch.

A gorgeous flat ballerina pump option this time, in a versatile nude colour. [At £75, these from Kurt Geiger](#) are worth the spend. A great quality pair of ballet flats will go the distance and always look stylish.

In a bid to get you to try some print, I've started with the bangle! The colours in this [swirl pattern bangle, £10 at Warehouse](#), are subtle enough to pair with most outfits in your wardrobe.

So can I tempt you with trying a print top? This [multi primrose print tunic £30](#), would give the trousers a different feel. Or how about a more [delicate print sheer blouse](#), worn with a simple [cami-vest](#) underneath - a look that I'm seeing everywhere at the moment.

## Foundation Wear

What you wear underneath your outfit can sometimes be as important as the outfit itself - the right underwear can make all the difference to the look and fit of your clothing. Click the links below for a selection of beautiful lingerie and great shapewear available to buy online.

[John Lewis](#)   [Net-A-Porter](#)   [Selfridges](#)   [Marks & Spencer](#)
